# CAMPERVANS

Sunliner Campervans

### An icon with style

A campervan is an Australian icon. It is where we started back in 1974 with the now famous Sunliner pop-top. Perhaps it is pure nostalgia; a desire to go back to a simpler way to travel and explore, but a Sunliner Campervan is as popular today as it was back in '74!

The convenient size of a campervan makes it a great combination of holiday touring unit and city explorer. Small enough to negotiate suburban streets and to be stowed in the family garage. With a campervan, you can now have best of both worlds.

Our campervan range incorporates the pop-top camper and the full campervan style. With five layouts and two model options, there is a campervan for every budget and travel style.

### The Rialta

Jammed pack with all the extras you could hope for in a campervan, the Rialta is our top of the range campervan series. To have a campervan perfect for you, we encourage you to personalise the interior to suit your unique travelling needs.

#### The Vida

Designed to offer a well-equipped, simple and modern vehicle with all the essentials you need to start your journey, today. A Sunliner Vida campervan is a passport to travel whenever and wherever the road takes you, making it an ideal travel companion.

Available on Toyota Hiace.

RPRF

KEY

- 1 Seat/Bed 4 Microwave & Fridge
- 2 Bed 5 Storage
- 3 Table 6 Seat

Available on Fiat and Mercedes Benz.

Available on Fiat.

# WHAT SETS US APART

#### DuraRoof™

#### Strong enough to Party On

Sunliner's DuraRoof has been precisio engineered to provide superior structural strength.

- Fully insulated bonded core
- Reinforced timber structure combined with compressed Duple Foam.

#### ThermoTough<sup>™</sup> Wall

#### The Toughest Walls on the Marker

Sunliner's ThermoTough wall is a revolutionary design encompassing strength, durability and weight reducing properties.

- Lightweight european technology
- One piece wall. No joins. No gaps. Equals greater strength.
- Popular cross ply/Duplo Foam core provides extremely strong panel with a high impact rating.

- Most repairs can be localised without replacing the whole wall.
- All materials used in the process have similar expansion rates.
- Walls can be screwed into at any point No studs or fixing points necessary.
- Walls R rating is equivalent to those found in extreme alpine areas.

## PERSONALISE YOUR JOURNEY...

#### CAMPERVANS

The Sunliner Campervan range includes the entry level Vida range and the more highly specified Rialta. Both ranges include the pop-top and full bodied vans with a choice of chassis.

#### RANG

vailable in 2x4 or 4x4, with Diesel or Gas appliances; you now have the freedom to go almost anywhere.

#### PINTO

Offering electric drop-down bed and island bed layouts, this range encompasses the best of a touring van in a compact stylish package.

#### SWITCH

The Switch is the entry point to Sunliner's mid size motorhome range. Simple and sophisticated the Switch is well equipped and modern; making the motorhoming lifestyle easy.

#### HABITAT

A long-range multi-terrain touring RV designed for the serious freedom chasing traveler. Packed with features to allow travellers, to further and stay longer.

#### NAVIA

The Sunliner Navian is a series of premium RVs. Designed to provide the widest choice of layouts, chassis, peaks and style, to enable personalisation, The Navian series offers drop down beds, slides out walls and everything in between.

#### MONTE CARLO

he Flagship of the Sunliner range, the Monte Carlo is in a class of its own. The finest trims, leather upholstery, curved cabinetry and feature lighting create a space that is the pinnacle of luxury.

Please note that some layouts may not accommodate the standard items listed in this brochure. The closest alternative will be fitted. All capacities, weights and measurements listed are approximates. All specifications and options on this brochure may be changed at any given time according to availability and supply. Floor plans are dependent on chassis type and dimensions may change depending on base chassis. Images shown may not depict the actual model or may contain items not standard or available with specific model. It is the customer's responsibility to ensure that the vehicle purchased is suited to their needs. This brochure may not be relevant to dealer stock units purchased or second-hand units. This brochure should be used as a guide only.
